

CWDA NEWS – JUNE

We have finally received our concert dates for this year. Please mark these dates in your calendar. This year's concert will be our earliest concert ever, so we will have to be organised! Unfortunately, we have no say in which dates we are allocated so have to make do with an early date.

CONCERT DATES 2011 Saturday 26th November –matinee 1.00pm

AND

Sunday 27th November –evening 7.00pm

DRESS REHEARSAL - Sunday 13th November –Gosford High School Hall 9.00am

TECHNICAL REHEARSAL - Thursday 24th December 8.00am – 2.00pm at Laycock St Theatre

This year we will continue classes after the concert as it would be far too early to break up for the year in November. Last year we finished on 4th of December and even that date was too early. The students came back so unfit and had lost most of their flexibility, that it took us most of 1st term to get everyone back into shape. We will continue after the concert by getting a head start on new work for 2012.

New Timetable

We have a slight change in timetable commencing on Friday 17th June. Please check to see if this affects you, by clicking on the timetable button. I hope this doesn't inconvenience anyone too much.

Ballet exams

Entries have no closed for junior ballet exams; and senior entries will close next week. As soon as we are allocated exam dates I will let everyone know their date and times. Please check with me regarding exam uniform requirements. Juniors will wear Bloch leather full-sole ballet shoes with elastic this year instead of satin ballet shoes. Please make sure you check with me on condition of shoes, as new shoes may need to be purchased.

Tap Exams

These are scheduled for 13th July. Good luck to Miss Kate and students on this day. Please ensure you send in entry fees and give directly to Kate.

Overdue Fees

Many students have fallen behind in their fees. Please pay all fees owing, or call Cheryl to arrange a payment plan.

If you have paid by direct credit into my account please check that you have entered your child's name as reference. I've had 2 deposits with no name as reference from ING Bank. If you think this may be you please contact me with amounts and dates deposited so I can confirm your details and credit the appropriate fees to the right student.

CoastQuest Eisteddfod –Woy Woy

Senior students and 14/u troupes are entered in this eisteddfod scheduled for 15 – 17th July. Please keep these dates free. As soon as I receive the program I'll notify students.

Eisteddfod entry fees are now due; please pay in a separate envelope to fees labelled 'Eisteddfod Entry Fees'. Fees are \$2 per group for each student.

Term 2 watching days for parents are as follow:-
