CWDA News January-February 2014

Welcome back to another year of dancing. I hope everyone had a wonderful Christmas, New Year and an enjoyable break. I'd also like to wish a warm welcome to all new students and their families.

Congratulations to all students and teachers on a fantastic concert last December. Thank you to all our wonderful helpers and to everyone for the lovely compliments and positive feedback.

Please remember to check our website regularly throughout the year. All newsletters are available by logging on at: - www.cherylwarwickdanceacademy.com.au
Please check in regularly for new updates and newsletters.

We also now have Facebook! Please like our page to be kept up to date with all the latest news. We'll provide advice on when the latest newsletters are uploaded to the website, and also give reminders to students on important information. We already have a few samples of last year's concert dvd on our Facebook page too! Our Facebook web address is:-

Welcome to Amy Miller who will teach the Friday Intermediate ballet and pointe class; Emily-Kate Watts will be assisting Felicity in teaching the 10/ & 12/u jazz class; and Sarah Shafton assisting with the Primary ballet class.

We also welcomed Emily Gale as our amazing acrobatics teacher last August. Her classes are very popular with students and I've been truly amazed at the many new acrobatics skills our students have already learnt in such a short time.

Kayla Holmes also began our 10/u hip hop class last year. These students performed in the concert and were fantastic. They've developed a great hip hop style already.

New classes in 2014

We are also offering a **12/u contemporary class** this year. This class will be taught by Hannah Crawley after the Grade 5 ballet class on Thursday at 5.30pm. If your child is interested in taking this class please let me know.

Boys Hip Hop Class: We're currently looking for expressions of interest for a boys hip hop class to be held at 12.15pm on Saturdays at Tuggerah Primary School. If interested in joining this class please email: mail@cherylwarwickdanceacademy.com.au

Don't forget to

New students wanting to purchase our uniform can do so at Duckies Dancewear - Arizona Rd, Charmhaven. Duckies are the sole supplier of singlets, t-shirts, shorts, ¾ pants, jazz pants and jackets. Anyone wanting to order our new design hoodie jacket can also order this from Duckies. These are a warmer jacket than the previous design. If wanting one for winter or for this year's eisteddfod in May, I'd suggest ordering it now. All students must have these jackets to perform in eisteddfods as they are representing our studio.

Students purchasing shoes and our leotards can do so from either Duckies; Erina Danzewear; Dancestuff (East Gosford) or the new dance shop opposite McDonalds Tuggerah called Flight Dance Supplies.

Please note that pink leather ballet shoes must be the Prolite Bloch brand and we prefer the split sole. These are available at Erina Dancewear - Karalta Lane Erina, and at Flight Dance Supplies Tuggerah. Please do not purchase other brands as they are not an accepted part of our uniform.

The following are a few points to remember for those new to the school:-

1. Please park at rear of the studio at all times (main studio).
2. Parents are asked not to wait upstairs while lessons are in progress. We need to keep noise to a minimum, so as not to disrupt lessons (main studio).
3. Watching days for parents are at the end of term one and two. Please watch the notice board and newsletters for these dates. There are no watching days in terms 3 or 4, as we prepare for the exams and concert.
4. All fees must be paid up to date at all times. If paying weekly, monthly or by term please pay on the first lesson of that period. Please put all fees in an envelope with name and date.
5. Fees are payable even if your child is absent.
6. We love to discuss your child's progress. But please realise we have the next class to begin and need to keep these discussions brief.
7. To contact me please email by using the email address on the website. If an emergency you can call me at home on 43 561999. I don't have any mobile coverage at all when I'm at home. I will only receive text messages when I drive in towards Tuggerah (sometimes a day or two later). I will respond as soon as possible.
8. All new students please print off a copy of the registration form and hand the completed form to your child's teacher at their first lesson. The form can be found on our 'contact us' page by clicking the enrolment form link (just above the map).

I'd like to encourage our jazz and tap students to consider taking ballet classes. To be a serious dancer, ballet is an essential tool in gaining the necessary technique for all other dance styles. It also teaches poise, good posture and self-discipline, all valuable assets to have in life.

I'd like to express my appreciation to David Duncan for another year of expert website administration.

I'm looking forward to another happy and productive year of dancing with our talented students.
