

C.W.D.A. News January-February

Classes resume Tuesday 27th January 2015

Welcome to everyone for another happy year of dancing and our 30th Anniversary! A warm welcome also to all new students and their families. Let's hope that 2015 is as successful as last year. The concert was something for all students to be very proud of and congratulations for all the beautiful performances. There was a lot of positive feedback, so well done to all students and teachers. Thank you to everyone for all the lovely compliments.

All new students to our school are reminded to please check our website from time to time for updates and newsletters www.cherylwarwickdanceacademy.com.au

If anyone has any queries please email me via the link on our website, or if urgent call on 43 561999.

I'd like to request everyone fill out a new registration form, including existing students. I need to update all details for students. You can print a copy of the registration form from our website. Please read carefully our "Guidelines and Policies" before completing and handing to a teacher.

We are offering a new Kicks, Leaps, Turns (KLT) class on a Saturday afternoon. This class is for students 11 years and over.

New students wanting to purchase our uniform can find all relevant uniform information on our website. This can be downloaded and printed for your convenience.

Duckies are the sole supplier of CWDA singlets, t-shirts, shorts, 3/4 pants, jazz pants and jackets. However, Duckies don't stock Bloch brand ballet shoes. Students purchasing shoes and our leotards can do so from Duckies; Flight Dance Supplies (Tuggerah), Erina Danzwear; or Dance Stuff (East Gosford). Please note that pink leather ballet shoes must be the Bloch brand and split-sole are preferred. Please do not purchase other brands as they are not an accepted part of our uniform.

Please remember to keep the waiting room noise to a minimum this year, as the noise is a distraction to teachers and students. Also there is to be no food brought into the waiting room at any time, this includes drinks and slushies. Students are asked to bring only water to class.

The following are a few points to remember for those new to the school:-

1. Please park at rear of the studio at all times (main studio).
2. Parents are asked not to wait upstairs while lessons are in progress. We need to keep noise to a minimum, so as not to disrupt lessons (main studio).
3. Watching days for parents are at the end of term one and two. Please watch the notice board and newsletters for these dates. There are no watching days in terms 3 or 4, as we prepare for the exams and concert.
4. All fees must be paid up to date at all times. Please put all fees in an envelope with name and date.
5. Fees are payable even if your child is absent.
6. We love to discuss your child's progress. But please realise we have the next class to begin and need to keep these discussions brief.

All pre-ordered DVDs of last years' concert will be available for collection at the studio after classes resume.

Wishing everyone a happy year of dancing,
Cheryl.
